<https://myriadwomenshealth.com/>

## Financial assistance inquiry

- We work hard to make our screens affordable. If you don't have insurance or are unable to pay your bill in full, please enter your information below and we will be in touch.
- Eligibility is determined by family size, income and medical expenses
- All costs listed are per test

## Myriad provides complimentary access to a genetics counselor

If medical eligibility criteria met and household income less than the corresponding value below, you may qualify for reduced cost testing

Household Size	You might qualify for testing at \$0	You might qualify for testing at \$100	You might qualify for testing at \$295
1	\$24,980	\$37,470	\$49,960
2	\$33,820	\$50,730	\$67,640
3	\$42,660	\$63,990	\$85,320
4	\$51,500	\$77,250	\$103,000
5	\$60,340	\$90,510	\$120,680
6	\$69,180	\$103,770	\$138,360
7	\$78,020	\$117,030	\$156,040
8	\$86,860	\$130,290	\$173,720

\*Note: The Financial Criteria above are based upon the United States Department of Health & Human Services (HHS) Poverty Guidelines, which are subject to change. Myriad reserves the right to terminate or modify its Financial Assistance Program at any time.
